NISSAN INTELLIGENT MOBILITY™
Nissan Intelligent Mobility guides everything we do. We’re using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it’s cars that assist in the driving task, or highways that charge your EV as you go along, it’s all in the very near future. And it’s a future already taking shape in the Nissan you drive today.

TAKE ON THE PATH LESS TRAVELED. On-road or off. Power through most every job, big or small. Stop. Back it up. Take a look at what’s directly behind you, hitch up your weekend toys, and go. The 2018 Nissan Frontier®. TAKE ON TODAY.
Whether you’re on the job or on the go, Frontier® offers features that take things up a notch. Embrace a great-looking interior plus an available sporty, leather-wrapped steering wheel with cruise control and audio adjustments. Crank up the available Rockford Fosgate®-powered audio system, which features ten speakers, including subwoofers. Make and take calls with your hands on the wheel using the Bluetooth® Hands-Free Phone System. And get things the way you like it with available Dual Zone Automatic Temperature Control.
The Desert Runner serves up major attitude with 16” 6-spoke aluminum-alloy wheels, a satin chrome grille, and details like fog lights and a body-color rear bumper. Bilstein® off-road performance shocks and 265/75R16 mud- and snow-rated all-terrain tires help maximize your potential. And a unique bedside decal tops it off – just before you leave them in the dust.

4X4 CAPABILITY

With the available 4x4 system, you can choose between 2WD, 4H, and 4LO, to help maximize fuel efficiency on the highway and get serious off-road capability on command. Four-wheel Active Brakes Limited Slip (ABLS), and available hill start assist and hill descent control help you conquer even the roughest terrain.

PUT YOUR CARGO ON LOCKDOWN

When equipped with the available Utili-track® Channel System, Frontier® offers the most bed rails in its class.† This system is fully equipped to help keep just about any type of cargo secured tightly. Five channels, four cleats, and a lot of thought about how people really use their trucks have created a system that’s simple, rugged, and offers near-infinite possibilities.†

SHAKE UP SOME SAND

The Desert Runner serves up major attitude with 16” 6-spoke aluminum-alloy wheels, a satin chrome grille, and details like fog lights and a body-color rear bumper. Bilstein® off-road performance shocks and 265/75R16 mud- and snow-rated all-terrain tires help maximize your potential. And a unique bedside decal tops it off – just before you leave them in the dust.

Power – either you’ve got it, or you don’t. And with Frontier, you’ve got it in a big way. With an available 4.0-liter V6 engine packing 261 horsepower, your V6 is chomping at the bit. And with a massive 281 lb-ft of torque, you can tow or haul just about anything you need to bring along. With the available 4x4 system, you can choose between 2WD, 4H, and 4LO, to help maximize fuel efficiency on the highway and get serious off-road capability on command. Four-wheel Active Brakes Limited Slip (ABLS), and available hill start assist and hill descent control help you conquer even the roughest terrain.

BRING THE BIG TOYS

There’s even an available Flexible Fuel Vehicle feature that allows you to choose ethanol E85, standard gasoline or any mixture of the two fuels.

In海外市场, the 2018 Nissan Frontier starts at $21,300 for the King Cab and $22,100 for the Crew Cab, peaking at $32,700 for the PRO-4X. The Nissan Voice Recognition for navigation feature is optional in both models and is available for an additional cost.

Nissan has equipped the 2018 Frontier with a variety of advanced driver-assistance technologies, including the ProPILOT system, which offers autonomous steering, braking, and throttle control at speeds below 46 mph. The vehicle also features hill descent control, which helps maintain a consistent speed on steep descents.

In terms of fuel efficiency, the 2018 Frontier offers a 15.9 mpg city, 21.1 mpg highway on 87 octane gasoline, and 15.8 mpg city, 21.0 mpg highway on 93 octane gasoline. The vehicle is available with a choice of engines, including a 4-cylinder and a V6, both equipped with either an automatic or manual transmission.

The 2018 Nissan Frontier offers a variety of trims, including the S, SV, PRO-4X, and TOWING/PAYLOAD/MPG packages. The S trim is equipped with basic features such as power windows, a CD player, and a cloth interior. The SV trim adds more features such as a leather-wrapped steering wheel and a 7-inch touch-screen display. The PRO-4X trim adds a leather-wrapped steering wheel, a leather-wrapped dashboard, and a premium sound system.

The TOWING/PAYLOAD/MPG packages offer various towing capacities and payload capacities for different models, depending on the trim level and engine configuration. The Towing Package includes features such as a trailer hitch with a wiring harness, a bed liner, and a bed cover, while the Payload Package includes features such as a tire pressure monitoring system and a rearview camera.

In conclusion, the 2018 Nissan Frontier is a capable mid-size pickup truck that offers a variety of features and options to suit different needs and budgets. Its advanced driver-assistance technologies and fuel efficiency make it a strong contender in the mid-size pickup truck market.
