TAKE ON BIG JOBS. The 2018 NV® Cargo High Roof and NV® Cargo Standard Roof ensure you'll have two great ways to handle it. These are the kinds of vehicles you need to do business today: smarter, tougher, and more comfortable with advanced and convenient technology. Try one or both of them – we think you'll find they're the perfect tool to TAKE ON TODAY.
TWO WAYS TO GET THE JOB DONE
Regardless of which model you choose, the standard roof with 234 cu. ft. of cargo capacity or the high roof with a massive 323 cu. ft. of cargo capacity, you’ll get more than enough capability to complete the job.

- Up to ten integrated roof-mounting points
- Six floor-mounted D-rings
- 57 reinforced cargo-mounting points

YOUR MOBILE OFFICE
When the driver’s seat needs to turn into an office chair, NV Cargo has you covered. With a flexible class-exclusive available multitasking center console, fold-down passenger seat, and plenty of power options, productivity never has to slow down.

- Fold-down passenger seat
- Flexible center console
- 12-volt DC power outlet

FLEXIBLE INTERIOR SPACE
When the job changes, so does NV Cargo. The flat loading floor can handle even the most cumbersome types of cargo. And with 54 inches between wheel wells, it has plenty of room for seriously wide items. There’s interior space for practically every project.

- Room for two 40” x 48” pallets
- Fits 10” piping
- Space for 4” x 8” drywall sheets

HARDWORKING TECHNOLOGY
Never miss a beat with the available Navigation Package. Featuring NissanConnect® with Mobile Apps, you’ve got a suite of high-tech features ready to give your business a boost. You’ll also have standard features like Hands-free Text Messaging Assistant, and a convenient RearView Monitor.

- RearView Monitor
- Nissan Navigation System
- Hands-free Text Messaging Assistant

234 CU. FT. CARGO CAPACITY
323 CU. FT. CARGO CAPACITY

Room for two 40” x 48” pallets

When it comes to making the toughest commercial vans you can buy, we go the extra distance for you, and it's no Sunday drive. We simulate years of corrosion, soaking a vehicle with salt, baking it, then pounding it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips, and over 4 x 4 beams. Special chambers crank up the heat to 140° and humidity to 95% to break down seals and age interiors. Do we really need to go to such extremes? Yes, because every day, you depend on your Nissan Commercial Van to do your job. And that's the motivation for us to do ours.
1. Complimentary Utility Package
   A. Standard Roof: MSRP $1,850 / Customer Responsibility: $0
   B. High Roof: MSRP $1,860 / Customer Responsibility: $0
